

Flaming June indeed !

I do hope that you are all able to enjoy the wonderful weather that we are having at the moment, but of course, it doesn't suit everyone.

Many may be struggling with the heat , particularly at night , so checking in with our neighbours is a good thing to do.

It seems as if we have all been so busy since the Coronation and so this June edition is a little short in content.

However it is important that we stay connected so think of this as a 'reaching out ' to stay Hello .

If you have anything upcoming that you would like to send out to the village , or if you are in need of assistance in any way then please contact the editor on 442206.
