

NOTICE RE STOKE ST MARY PLAY AREA

Following approval by Stoke St Mary Parish Council on 16th May 2024, a multiplayer unit with fireman's pole and slide, and a double swing set, including an accessibility seat, have been ordered for the Stoke St Mary Play Area. The equipment is due to be installed at the end of July 2024, and the Play Area will be shut during this period for health and safety reasons. Following installation, the areas around the new equipment will remain fenced off until the newly laid turf has established.

Stoke St Mary Parish Council, 6th June 2024
